

CENTURY
BUILDING & WINDOW CLEANING

Please be advised that we will be on site to perform building cleaning, including balconies, balcony fascia and concrete eyebrows followed by exterior inaccessible window cleaning on the following dates:

Building cleaning: TUESDAY AUGUST 6 - FRIDAY AUGUST 9
Window cleaning: MONDAY AUGUST 12 - FRIDAY AUGUST 16

Between 8:00 a.m. and 5:00 p.m.
(Excluding weekends and holidays)

Please remove all items from your balcony during this time. Balconies which have items left out will not be cleaned.

For added protection, items on balconies should be removed for the entire duration of exterior work as pressure washing of adjacent walls and eyebrows will cause overspray of dirty water. Items not moved should be covered.

For privacy, please ensure your blinds are closed.

Your cooperation in this matter is greatly appreciated.

Champion is not responsible for damage to items left out during this service.
